Also on May 6, Governor Abbott and the OneStar Foundation announced the Texas COVID Relief Fund, which will provide critical funding and resources to organizations across the state working on the ground to support the economic recovery of local communities.

The TEA is providing four different pathways for schools to celebrate their graduating seniors, and each district is at liberty to determine if any of these options best serve the needs and desires of their community:

- Completely virtual ceremonies that take place entirely online, with the use of videoconference or other technologies.
- Hybrid ceremonies, which consist of a compilation of videos of students being recognized in person as they celebrate graduation in small groups.
- Vehicle ceremonies, in which students and their families wait in their cars while other graduates are recognized one at a time with their families alongside them.
- Outdoor in-person ceremonies, which are currently permitted for counties as follows:
 - Between May 15 and May 31, an outdoor ceremony may take place in a rural county that has an attestation as described in the Governor's Report to Open Texas that remains in effect 7 days prior to the ceremony.
 - An outdoor ceremony may take place in any Texas county on or after June 1.

Texas A&M Forest Service (TFS): TFS currently has 81 personnel committed to COVID-19 Response and is providing planning support, logistical support, and other functional areas as needed throughout the state. TFS resources are assisting the Texas Division of Emergency Management, Texas Department of State Health Services, and local jurisdictions. Assistance activities include Incident Action Plan development, Situation Reports, STAR Processing, Personal Protective Equipment hauling, logistical support for shipping and receiving materials,

incident management support, and training, COVID-19 Contact Tracing support, and nursing facility testing support.

Texas Animal Health Commission (TAHC): The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal with animals in context of potential COVID-19 exposure. TAHC has activated virtually to the SOC, has initiated conference calls with ESF-11 partners and stakeholders, is supporting ESF-11 efforts to provide “credentialing” for essential agriculture workers during shelter-in-place ordinances, and has coordinated with DSHS for companion animal testing support. TAHC is receiving phone calls related to case consideration for testing animals for COVID-19: two animals have been approved for testing to date. Additional conversations are with national partners regarding support of the National Food Supply chain are ongoing.

Public Utilities Commission (PUC): PUC has created a link specific for COVID-19 on our public webpage. <http://www.puc.texas.gov/covid-19/>

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage.
<https://www.tceq.texas.gov/response/covid-19/tceq-preparedness-responsibilities-covid-19>

Texas Commission on Fire Protection (TCFP): The TCFP continues to support COVID-19 response through coordination of local fire departments in Texas. As our operation expands to meet the needs in the field, the TCFP is being recognized as the TIFMAS representative at the SOC. We continue to work with TDEM, TEEX, DSHS and MIST to provide testing in nursing homes throughout the state.

Texas Department of Criminal Justice (TDCJ):
Strike Team Status:

- 12 Strike Teams consisting of 84 TDCJ staff from multiple divisions.
- 29 Days deployed
- 7 Strike Teams are currently active, with 5 on standby for redeployment.

| TDCJ Command Center – Strike Team Statistics | | | |
|--|-----------------|----------------|------------|
| | Tests Completed | Testing Target | Percent |
| Staff | 21,929 | 25,544 | 86% |
| Offenders | 87,902 | 106,253 | 83% |
| Totals | 109,831 | 131,797 | 83% |

Texas Department of Licensing and Regulation (TDLR):

TDLR extended their agency’s current work from home initiative through June 30, 2020. Division directors have begun developing plans for some employees (up to 25% of the workforce) to return to the office. As plans are finalized, some divisions may be allowed to have some employees return to the office earlier than June 30.

License renewal fees are waived that accrued between March 15 and June 15, 2020 for occupational licenses issued by TDLR. This waiver applies to licenses associated with a variety

of occupations, such as barbers, cosmetologists, electricians, speech-language pathologists, and dyslexia therapists.

Licensees, particularly those in the medical and health professions, are reminded that they must continue to observe sanitary requirements. Anyone seeking guidance about whether to continue providing services should contact their local health departments or county judges, who are authorized to make that decision

TDLR has worked with their exam vendor, PSI, to resume practical examinations for the barber and cosmetology industries. All exam sites have adjusted schedules and reduced capacity in accordance with CDC and state social distancing guidelines. Additionally, TDLR has reviewed and approved PSI's health protocols to ensure they meet all state guidelines regarding COVID-19. Under these restrictions, TDLR will resume barber and cosmetology practical exam delivery at all 8 PSI sites across Texas starting Monday, June 1.

The suspension of inspections related to TDLR elevators, boilers, and elimination of architectural barriers programs has been extended to June 30. Also, continuing education requirements are waived for all individual licenses expiring in March, April, May, and June 2020.

Professional Combative Sports may now return to Texas. We will approve a limited number of events, depending on available staff resources. Promoters wanting to hold boxing/MMA events should contact the Combative Sports program to determine if a certain date is available.

On June 10, TDLR began a limited number of on-the-ground safety inspections and enforcement investigations. All agency employees will continue to observe practices that limit the spread of COVID-19.

Texas Department of Public Safety (DPS): THP continues to have a liaison at the State Operations Center currently assisting with "Pony Express" Rural COVID-19 Testing Sites by coordinating ground transportation of the collected samples for THP/CID to transport to the designated labs for processing.

DPS Aviation continues to respond daily to numerous requests for the statewide movement of supplies, test kits and collected samples in support of COVID-19 Air Bridge.

June 9, DPS Aviation made flights from Midland, Edinburg and Tyler. They made flights to Austin and Galveston transporting samples from numerous collection points. Since April 24, DPS Aviation has performed 245 flights, transported 996 coolers of samples and have 743 hours of flight time.

Texas Department of State Health Services (DSHS):

State Medical Operations Center (SMOC) Activities:
